Feedback from Mock Exams

With another round of mock exams behind us, our students are now diving into the feedback that will bridge the gap to their final goals. This feedback is the roadmap for their final push. Please take a moment this evening to ask your child about their specific 'next steps' for each subject - knowing exactly what to tweak now will make all the difference on results day.

Parents Evening

We would also like to invite you to our Year 11 Parents' Evening on Thursday, 26th March. Appointments are now available to book via the SchoolCloud. We strongly encourage all parents to attend, as we will be sharing specific guidance on how to best support your child during this critical lead-up to their final exams. If you experience any issues while booking, please do not hesitate to contact us for assistance.

Easter Revision

As part of the TWS 'Final Push' for Year 11, we are pleased to offer a comprehensive timetable of revision sessions during the Easter break. While specific students will receive formal invitations for targeted support, all students are welcome and encouraged to attend. These sessions are specifically designed to bridge the gaps in knowledge and skills identified during the recent mock exams. We ask for your support in encouraging your child to take full advantage of this opportunity to strengthen their exam readiness. A full timetable will be sent to parents/ carers early next week.

Year 11 Vault Challenge

We know how hard it is to balance revision with the temptation of gaming. To help our Year 11s stay focused during this final stretch, we're opening the School Safe-Store. Students can voluntarily hand in their consoles for safekeeping until the end of the exam season. It's a great way to 'remove the choice' and keep the house a distraction-free zone. Plus, there's a small prize for everyone who completes the challenge.
